SUSTAIN

Improve recycling effectiveness with the Sustain recycling station, a decorative and adaptable recycling solution designed to meet any facility's needs. The modular system allows the station to be customized to and grow with each recycling program.

2078967

2078994

2078991

A variety of colored recycling lids and designated lid openings clearly indicate streams to users.

Lids nest neatly with lids of same size for convenient placement during liner changes.

Integrated plastic liners with venting channels enable easy lifting of liner bags to speed up waste removal.
