

CFIA·ACIA

CFIA

Certification

Your guarantee of
safety in hygiene
and sanitation

**Healthcare environments,
restaurants, food industries...**

Whether you are in the field of health, catering or the food industry, our CFIA approved products are adapted to your needs. Protect the health of your customers, patients and employees with trusted cleaning solutions.

**CFIA certification:
The benchmark for safety**

CFIA certification is a guarantee of quality and compliance with the highest standards. Each approved product is tested to ensure its effectiveness in demanding environments.

Choose safety with our CFIA approved products.
Create a healthy and protected environment.
